1. The AZNP (Automobilove zavody, narodni podnik - Automobile Works National Corporation) plant located at Rynovice (051/G26) reached a production level of five to six busses per day.
2. However, the chassis of these busses are manufactured in another factory, and delivery of them got behind schedule. For this reason the employees of AZNP were offered (sic) a one-week vacation without pay beginning 20 September 1952.
